

A Report of English Language Study in Ireland

Student name : Masao Murai

Term : 19 to 30 Sep 2016

Place : The Slaney Language Centre, Wexford

Purpose : Improve English conversation and have many experiences of Irish culture

First of all, I want to say many thanks to Teachers, classmates and Mr & Mrs Murphy who are my host family. The school was very beautiful and nice place. Pastures are around school.

I enjoyed learning English at Wexford. I have experienced many things too. We went to Johnstown Castle and Kilkenny Castle. They were very beautiful places. In Dunbrody Famine Ship, I learned sad emigration histories of this country. We went to the National Heritage Park to learn Irish History. We visited Paul Malony pottery factory. We enjoyed the nature of Ireland. We heard Irish music at Pub. We also enjoyed international lunch and Irish dinner with teachers and classmates.

For myself I went to Rotary meeting and made a speech. Visited private dentist Dr. Robin Foyle and talked about the health system of Ireland. I also visited Wexford Local Health Office and met Dr. Claire Sullivan. I saw her practices for patients. I had a short tour to

Waterford, a very beautiful city. I went to the Museum and the House of Cristal.

I don't forget these experiences and people's warm friendship. Many thanks to all!

Pictures

The Slaney Language Centre in Wexford

The sight of pasture

My teachers and classmates

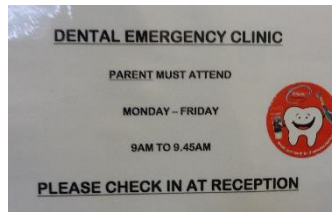

International Lunch

Dinner at Irish restaurant

Presentation at the Wexford Rotary Club Meeting and exchanged Rotary Flag

Dr. Robin Foyle

Visit the Public Health Clinic. Photo with dental staff

Johnstown Castle and wild peacock

Short trip to Dunbrody Famine Ship

Ceramicist Mr.Paul

Kilkenny Castle

National Heritage Park

We got Diploma. I'll say many thanks to teachers and host family parents, Carmel & Brendan.

I handed the flag to my Rotary Club

I enjoyed Guinness.
